THE FARM SYSTEM

The strength of the Tiger farm system was spotlighted again in 1968 as the two top links of the chain finished their seasons with flying colors.

Toledo was the pennant winner in the Class AAA International League, following a Governor's Cup triumph in the previous season. Manager Jack Tighe was acclaimed "Manager of the Year" in the International League for the second straight year and General Manager Charles Senger was named the circuit's top executive on the strength of the Mud Hens' success.

Montgomery, with Frank Carswell at the helm, finished second for the second straight year in the Class AA Southern League.

Both Tighe and Carswell will be back at their posts in 1969, with Stubby Overmire also returning to Toledo as pitching coach. It will be the third year for both Tighe and Carswell in their managerial assignments at Toledo and Montgomery.

Al Federoff again will handle the reins at Rocky Mount of the Carolina League, with Len Okrie returning to Lakeland of the Florida State League and Bob Dustal assigned to Batavia, where he was a rookie pilot in the New York-Pennsylvania League in 1968. Bill LaJoie, a new addition to the staff, will handle Bristol, Va., of the Appalachian League, which is replacing Sarasota of the Gulf Coast League as the Tigers' rookie league affiliate.

SPRING TRAINING

The Tigers have trained at Lakeland since 1934, first at Henley Field and since 1966 at Marchant Stadium, a mile north. The all-concrete grandstand at Marchant Stadium was built by the City of Lakeland at a cost of more than \$350,000 and is situated on a 12-acre tract adjacent to Tigertown, which has been the Tigers' minor league training site since 1953.

It is slightly east of Lakeland Hills Boulevard, one of Lakeland's principal north-south arteries and a short driving distance from the trans-Florida highway, Interstate No. 4.

Dimensions approximate the Tiger Stadium field area in Detroit, drainage is excellent and the turf is considered the finest in Florida.

The new grandstand seats 4,025, including 400 box seats. The clubhouse, costing \$48,000, accommodates up to 50 players in each club section with added quarters for umpires. The pressbox, 104 feet long, has spacious quarters for writers and broadcasters, plus a photographers' deck.

TIGER STADIUM

The capacity of Tiger Stadium is 54,220 seats. Official figures list 10,335 box seats; 21,172 reserved; 11,502 unreserved grandstand; and 11,211 bleacher seats.

Baseball has been played at the site since 1900, a year before the American League was born with the Tigers as a charter member. Known as Bennett Park at the time, it became Navin Field in 1912, Briggs Stadium in 1938 and Tiger Stadium Jan. 1, 1961.

The playing field and stands at Tiger Stadium are considered among the finest in baseball. Facilities for players, fans, press, television and radio personnel are excellent and improved whenever possible. Although occupied frequently by more than 50,000 fans, it can be emptied in less than 10 minutes.

More than 10,000 square yards of sod are needed annually to repair the wear and tear of both baseball and football on the playing area. Sprinkling and drainage facilities are among the best and the latest-type field caver can be placed in less than a minute.

†Pinch runner in 6th inning of second game

WHAT IS A SAVE?

A pitcher who enters game with his team leading and holds lead to completion of game is credited with a save, provided he is not winning pitcher. He must be finishing pitcher, unless removed for pinch hitter or pinch runner. If more than one pitcher qualifies, official scorer credits a save to "most effective" relief pitcher.

SOME REGULATIONS

A rookie is a player not more than 45 days on a major league roster during 25-man roster cutdown dates or who has not exceeded 90 times at bat or 45 innings pitched if short of 45 days.

A batting champion must have 502 or more actual or projected appearances at the plate. A pitching champion (ERA) must pitch 162 or more innings. A fielding champion must appear in 108 games at his position.

Player limit is 40 men from Sept. 1 to opening day of following season; then 25 until Sept. 1.

To determine the "magic number" in pennant race, compute the number of games yet to be played, add one, then subtract the number of games ahead in the lost column of the standings from the closest opponent.

Between 1938, when Tiger Stadium was rebuilt on its present lines, and 1956, only one home run was hit over the roof—by Ted Williams in 1939, his rookie season. Since then, the feat has been accomplished 10 more times, including two over the left field raaf.

Longest of the nine homers over the right field stands is credited to Norm Cash, for a blow July 29, 1962 which was estimated at 560 feet.
